Dear Sirs:

The undersigned owner(s) wish to alter the landscape planting at my/our property having a municipal number of unit _____. All changes proposed are

- within the property associated with this unit,
- will not involve plantings on common areas or property owned by others,
- will not alter the drainage within the complex
- the proposed landscape plantings will not impact the view enjoyed by any other units,
- and are in accordance with the Condominium Corporation's Landscape Planting Policy, and related requirements contained in the Condominium Corporation's Declaration, Bylaws and Rules.

The proposed plantings / alterations to plantings are described in the attached dimensioned drawings and list of plants and other materials to be used.

I/we acknowledge that I/we have read the Landscape Planting Policy and are familiar with any other related requirements contained in the Declaration, Bylaws and Rules. I/we acknowledge that I/we will be responsible for maintenance and replacement of the plantings / garden.
